

REMARKS

This application has been carefully reviewed in light of the Office Action dated March 6, 2008. Claims 1 to 11 are pending in the application, of which Claims 1, 6 and 11 are independent. Reconsideration and further examination are respectfully requested.

Initially, Applicant thanks the Examiner for the allowance of Claims 6 to 11.

Claims 1 to 5 were rejected under 35 U.S.C. § 112, second paragraph, as allegedly being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Reconsideration and withdrawal of this rejection are respectfully requested.

In the previous Amendment of December 17, 2007, typographical errors were inadvertently left in Claim 1. Therefore, the foregoing amendment to Claim 1 is merely to correct the typographical errors, thereby conforming Claim 1 to allowed Claims 6 and 11. Accordingly, Applicant submits that Claims 1 to 5 are now in condition for allowance and respectfully requests same.

In view of the foregoing amendments and remarks, the entire application is believed to be in condition for allowance, and such action is respectfully requested at the Examiner's earliest convenience.

CONCLUSION

No claim fees are believed due; however, should it be determined that additional claim fees are required, the Director is hereby authorized to charge such fees to Deposit Account 50-3939.
